**Contact surfaces**

All side and lower contact surfaces are coated with soft nonslip PVC, which ensures the integrity of the surfaces in the housing stages.

**Side bins**

A series of convenient bins allow for the storage of small parts in a simple and orderly manner for easy identification of items.

**Pivoting wheels**

Equipped with 2 fixed wheels and 2 pivoting wheels with brake, which ensure a high degree of mobility and object handling ease. Locking the braking units allows their position to be fixed near different work areas.
