

SPIN 4

Professional trolleys

Gasket trolley. Reel with brake and gasket-guide ensure troublefree gasket unwinding. It is equipped with a quick gasket roll change system.

**Reel holder**

A system of adjustable and extendable reel holders allows adaptation to the various sizes and types of reels that will be housed.

**Reel locking clutch**

The reel with clutch counteracts the unwinding phase without the possibility of running into mishaps.

**Pivoting wheels**

Equipped with 2 fixed wheels and 2 pivoting wheels with brake, which ensure a high degree of mobility and object handling ease. Locking the braking units allows their position to be fixed near different work areas.

**SPIN 4 / PROFESSIONAL TROLLEYS****CHARACTERISTICS**
